

### BRANDED ATTRACTION

Candidates can view both Contingent and Freelance opportunities directly on your career site leveraging the power of your brand.

### SPEED MATTERS

Through our matching algorithms and integration partnerships with top VMS technologies, the Talent ETL platform helps you identify and submit the quality talent you need.

### MAXIMISE TALENT

Create talent pipelines, showcase opportunities, re-engage skilled expertise or create pathways to other work opportunities.

### WORK SMARTER

Leverage your career site, expert recruiters and harmonise your candidate experience.

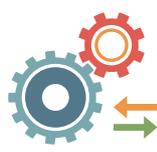

### REDUCE COSTS

Reduce expensive staffing costs found in traditional models.
